Madison Rising is a hard-hitting rock band from the greater New York area. The band is led by Air Force Veteran Rio Hielt with support from Samuel Fishman, AJ Larsen and Tom DiPietro. After gaining national recognition for their rocked-out rendition of The Star Spangled Banner, they have toured around the world. The band has promoted the ideals of patriotism and honored our veteran community around the world. With their newest release "Battered Not Broken", they hope to bring more attention to issues like PTSD.

The band has performed at events such as NFL games, the opening ceremony of the 2014 Special Olympics, the opening ceremony of the 2015 World Police and Fire Games at RFK Stadium, at NASCAR, the 73rd Annual Motorcycle Rally at Sturgis, 2015 National Police Week on the West Lawn of the Capitol as well as many military, corporate and veteran events both at home and abroad. EVENT REVIEW

by Jennifer - TBYP

Rick Ector's Annual New Women's Shooter Event

700 WOMEN ATTENDED!

STORY FROM A NEW WOMAN SHOOTER

I sit and wait with about 100 other woman for the last
class of the day after making rounds at all the vendors
tables and Rick's store.

Nervously sitting, waiting for class to start and having never shot a real pistol before I was worried I might point it in the wrong direction and then it would go off because my trigger finger slipped. A vision that has been frequent in my imagination.

Instructor Tanisha walks up to the front and begins to teach us in a simple manner with a confidence building attitude that I can do this, just like her.

I shot my first pistol at Rick Ector's **Women's New Shooter Event** and it was incredible!

My first shot hit the bullseye because of hours practicing with my Airsoft pistol. The difference between my Airsoft and the real thing was the huge ball of fire straight in my vision which startled me and energized me in a moment of time.

Many rounds shot with a very patient and wise instructor.

I got to keep my target for memories sake. 2 near the Bulls Eye and some flyers because my hands got a little tired.

WORTH EVERY MINUTE!

**THANK YOU RICK ECTOR
AND YOUR INCREDIBLE TEAM**

for making this event happen for those who
just need an opportunity to know what is
on the other side of personal protection.

I don't want to be a Pepper Spray girl Tanisha!
