Memberships

**We now have a new
membership chairman in place!**

johnnyc76

**Note: He will be on vacation
1st week of July, however please note the
new & renewal memberships will be processed
in time to vote**

Just a FYI

**Their have been questions concerning renewal notices &
the processing of new & renewal membership.**

A little background,

**The old process was very labor intensive,
Mikeb32 had the time for that being retired, we are
thankful for the job he did.**

**Jon as a volunteer with a job & family - like most of our
members, needless to say he has a little less day time to
process the back log.**

**However & unfortunately the old system is what we have
to work with right now, the priority is to get the new &
renewal processed first -and confirmed by email for new
members with their member number. Mailing of cards &
swag in the case of new members will come later.
If you think you need to renew, send it in, it will tack on to
whenever your current membership expires.**

**If you expired without getting a renewal notice,
you will be granted a grace period - keeping all MGO
membership privileges and forum access as a MGO member
until you get a notice and have a chance to renew.**

**ASAP the membership process will be brought into the
21st century bringing with it the ease & swiftness for the
members & chairman alike.**

Your patience is appreciated during this catch up & modernization period.

Thank you!

And a Warm Welcome to our New Members!
