

Membership Processing Changes Notice

MGO major news today is the issue of membership processing*

Our membership backlog has been caught UP*

**Membership renewals have
gone out May 1st.
Only 55% have opened that email.**

**By 5-31-2019 if we have not
received a membership renewal
from you we will be forced to
stop your MGO member access to
the forums as well as all paid member privileges on
6/1/2019**

[To renew your membership click this link!](#)

**If you are unsure if you need to renew, check your
email immediately for this subject line.**

Your MGO membership has expired

**If you received this email then you need to renew.
Members please look for it in your inbox.**

**A few of you that have renewed were sent
this notice by mistake and we apologize**

for that. We are just human volunteers.
If you are unsure of your member
status please contact
Member Customer Service.

membership@migunowners.org

**From now on renewals will go out the 1st of the
month that your membership expires and you will have
until the last day of that month to renew your
membership.**

Some of you have already found your
activation of MGO member privileges
returned very swiftly if you follow
the directions.

Some important notes!
The processing of membership card IS going to take
awhile to get up to date.

You will find the options for card creation in your
renewal or new membership confirmation letter.

Next, as some of you may know your membership has
lapsed - and you did not get a renewal notice from us
and you did not renew.

So some of you got a bit of a free ride,
well that is on us.

We sent out quite a bit of renewal notices - so
depending how people respond,
we may need a minute to
get to you. But it's NOTHING like the
backlog we had.

WE have taken a TEAM APPROACH to the process and made some updates and we think you will like the changes we have made.

Because of the volume we processed, please contact us if you think you were somehow missed concerning your membership.

For now until the next evolution in membership processing, we will be using Constant Contact (*the same email service that brings you the newsletter*) to contact you about membership renewals.

So keep an eye out - look at the header before you decide to not open or delete a Constant Contact email from MGO!

The
"8th Annual
FREE

Target Shooting Event For Women"

**returns again to southeast
Michigan in 2019!**

**Our goal is to train nine hundred (900) women
how to safely operate a semi-automatic 9mm
handgun.**

**Women will be taught how to hold, load, and
shoot 21 rounds of ammo at a stationary paper
target. Participation is 100 percent free but
requires advance online registration.**

The event will take place on Sunday, May 19th, at the Top Gun Sports Range at 22050 Pennsylvania, Taylor, MI. If you have an interest in this program, you should choose one of the options to designate your interest level. Doing so, will ensure that you get the latest updates on this event.

PARTICIPANTS

This even is open to women aged 12 years or older.

Participants under 18 will need onsite approval and attendance by a parent or legal guardian to participant.

Disclaimer: Program is only available and open for people who have not had their firearm rights extinguished.

The direct supervision of a trained and qualified instructor will be provided. Participant will be issued ammo, safety glasses, hearing protection, and a handgun to borrow under the direct supervision of a qualified trainer to discharge 21

rounds of ammunition.

HOW TO REGISTER

Participants will be required to register online at a link present on THIS Facebook web event page **starting at noon (12pm) on the date of Sunday, May 12th.**

Registration will stay open until all 900 slots are taken. Registrants will have several different time slots to select for training.

If you are coordinating your participation with other people, you all should discuss before-hand what time interval you will select.

Choose wisely as we do not have the time or manpower to make scheduling changes. No one will be admitted to this event without your receipt - printable on paper or viewable and show-able in your cell phone.

ONLY select one time on any one page for online registration. When you click the online link and submit your registration, you will receive a confirmation for your attendance at the range at ONLY one time slot.

Individuals trying to fraud the system or not following the rules may be removed from the system. If you have questions, inbox them to this page - do not call me. I will ignore you and not answer.

Depending on local business support, I will be giving away cool free stuff - as supplies last. If you are a vendor or shop and would like to donate your SWAG, inbox me and let's

make it happen.

In addition, I will be having lotteries for cool stuff. For example, I will have a gun dealer with a FFL who will be raffling off a few cool guns. I love it when people win guns. Winners must be of legal age and must be able to pass the background check by the dealer.

We will also have a limited number of cool t-shirts related to the event for sale and other cool stuff to take home!

Volunteers Needed

If you are an experienced and safe trainer and would like to donate your time and expertise to this event, inbox me your experience, certifications, and training with firearms. If you are qualified, I will have you join us.

Donors Needed

If you'd like to make a donation to this event, your contribution will be greatly appreciated. Those 50 count boxes of 9mm ammo add up quickly. We are going to need a total 9mm cartridge count of 17,000 rounds to make this event happen! Either drop the ammo off at one of my upcoming CPL Classes or PayPal me the Donation to this email address: detroitccw@gmail.com

REGISTRATION LINKS

The links to signup for the shooting lessons will show up here after **12 noon on Sunday, May 12th.**
